

2010 Paris Sportsmans Club

Event Dates and Newsletter

Hello Fellow Member,

Last year we accomplished quite a bit for the club, we aquired 40 more acres; ran electric to the lake and Bennett Acres; erected a new 20 by 40 building at the lake; put a new roof on the pole barn; put in the new sewage system; plus we held our fish fries, gun bash, fish trip raffle, youth day, and all sorts of other money makers. Thanks to those that came out and helped in these endeavors and thanks to those who did any type of work at the club such as cutting grass, picking up trash, helping in the kitchen, painting, etc.. We really appreciate it and need the help.

We spent a lot of money but it was money well spent. There will be plenty to do in 2010 and any help from the members will be very much needed. We own about 1000 acres plus a lake, gun range, trap range and several buildings. It all needs maintained, cleaned, painted, mowed and repaired. Also there's help needed at the fish fries and auction. If you don't have time to come out and help around the property or club, maybe you can help with raffles and ticket sales. All of this work will benefit the club and at the same time reduce the cost of your dues for 2011.

You will finding in this letter a list of event dates and also a list of officers with their phone nos. if you need any info. You can find lots of info and updated news and a calendar on the clubs web site at www.parissportsmen.com. Gary Bonacci does an excellent job on keeping the web site updated with all the club news. Also attending meetings will keep you updated and in the loop of whats going on around the club. Meetings are the second Monday of every month.

In this packet you will find 3 vehicle stickers, members are required to have an ID sticker on any vehicle that they are driving on the club grounds. This includes cars, trucks, atvs, motorcycles, etc. They must be visable. If you need more than 3 you can get them at meetings or from the secretary. Also the tab on the membership card is to be removed and put in the club badge that is to be worn while on the club property. You will find the keypad number to gain access to the club house on your membership card.

The keys to the locks on all the gates on the club property **WILL** be changed for 2010 and keys will be available at club meetings or you can purchase one from Will Kopa at Marshes Hardware. **You must show a 2010 membership card to purchase a key at Marshes !**

The key pad number and the gate locks **will be** changed at some time in January 2010. **Do not** give your key or key pad number to anyone ! **Only members are to unlock any types of locks or doors anywhere and at any time on the club!**

Important notice to junior members 16 years of age and older!

The rules were voted on and changed at the November 2009 meeting that would require junior members 16 years of age and older to fulfill 24 work hours or be assessed the same monies that a regular member is assessed for not fulfilling work hours. In other words if you are a 16 year old or older junior member and you don't do 24 work hours by Oct. 31st. of 2010 you will be charged \$5.00 for every hour less than 24. If you don't do any work hours it will cost you \$120 dollars to stay in the club after Dec. 2010. Call secretary Max Stroud at 304-723-3645 if you have any questions.

**Please try to attend some meetings in 2010 !
(second Monday of every month at 8 PM)**
